MUSTANG BULLITT **FEATURE CAR**

The Reincarnation of the Thundering '68 Mustang Fastback That Burned Up the Streets of San Francisco in the Film **BULLITT!**

2001

MUSTANG BULLITT FEATURE CAR

While Steve McQueen got the accolades, the real star of the 1968 film *BULLITT* was a sinister-looking Mustang fastback that was "the good guy" in an explosive 12-minute duel over Frisco's mean streets that would become the standard against which car chase scenes are measured.

And now the racing heart of that famous ancestor beats once again – within the new 2001 Mustang BULLITT Feature Car.
