2010 SHELBY

GT1500

In 1964, Carroll Shelby had an idea. He thought a Mustang could go faster — was *meant* to go faster. Thus was born a relationship between Carroll Shelby and Ford that has lasted over 40 years. Carroll Shelby: Le Mans winner, legend, has put performance into every car he's touched. What's his favorite Mustang? The next one. Here it is. The 2010 GT500.
